Company Profile

SPLASH ISLAND is one of the leading **WATER PARKS** in the country. It is conveniently located at **South Luzon Expressway (SLEX)**.

The park was built by **Proslide Technology Inc.** of Canada. **Proslide** is the global leader in the water slide manufacturing and water park design and transformation. **Proslide** rides power the best, most successful and most recognized park in the world.

The Lifeguards of **Splash Island** was initially trained by **Jeff Ellis & Associates**; they are the best lifeguard training through **International Lifeguard Training Program**. **Splash Island's** lifeguard training is continuously done by our experienced **Senior Safety Officers** with more than 20 years of experience.

The park is also a member of **World Water Park Association**.

Splash Island is now managed and operated by **Global Gutz Parks Philippines, Inc.** since summer of 2009. **Global Gutz** has maintained the park's world class standard thru the years, ensuring safety and reliable operation of the park.

Our Mission

SPLASH ISLAND aims to provide our patrons a safe, efficient and reliable service in the most affordable way.

Our Vision

SPLASH ISLAND'S vision is to pioneer the Water Park development in the country to provide every Filipino family a world class experience!
